I	Gearbox oil: check the level and clean the filter (top up the oil that leaked when cleaning the filter). (031504)			
I = Inspection and any additional service if required A = Adjustment R = Replacement		Date: Stamp and signature: www.car60.com		
NOTE:				

* Though not strictly necessary, these operations are recommended if the car has been often driven on dusty roads or in difficult road traffic condition. If these operations are not carried out during the warranty period, the warranty will NOT lapse.

** Use the diagnostic tool to check the condition of the disks. Replace the clutch if the wear exceeds the value indicated in the workshop manual.
